

My Piano Notes

When you are away from the piano, you can use this to practise!

Find the notes.
Say the names.
Use your fingers.
Play the songs you know!

1. Find the notes

Point to each note and say the name out loud:

C D E F G A B

2. Use your fingers

Pretend to play using your right hand fingers 1 – 5 on C D E F G.

1	2	3	4	5
C	D	E	F	G

3. Play the songs you know

Can you find the notes for the songs you've learned? Try singing them while you point to the notes!

4. Make your own music!

Choose some notes and make up your own song. You can write it down or just remember it!

You can colour in the letters!
